Regarding R

It's been a long time since I've been here last time.
Yes... this was the place I met you for the first time.
Do you remember? We ended up eating breakfast together next morning.

After that day, to my own surprise, I started to fall for you really fast.
I had no idea. I mean I wasn't into love at the first sight sort of stuff. I really didn't see myself falling for someone that fast.
My desire to have you grew really fast and I tried to convey my feelings to you.
But you avoided me.
And I believed we were over.

But you still visited me whenever you couldn't sleep alone at night.
I was utterly confused, and my failure to know your feelings meant that I just had to what I had to, hoping that you'd accept me eventually.
Even when I knew that, what you wanted from me wasn't love, I still went after you.
At that moment, it was painful but was bearable.
And what did you do in the end ?

Giving up.
That was what I was urged to do and I did just that.
And funny thing happened.
After feeling depleted, what was left in me was just pure desire to possess someone.

All those urges I've been suppressing, I let them loose.
On Jur.
Whenever I met her, I thought of you.
Whenever I was having sex with her, I thought of you.
Those were cowardly acts.
But why the hell not ?!
You had done to me the same.
Why not me ?!

Didn't you hear what I said?!

I abused your friend for my own personal gains! And you are fine with that?!

Strange ...

Fine, let's say I should be angry by now.

But why are you angry as well ?

Or rather it seems you want me to get angry.

... I expected you to slap me or something... Your reaction wasn't what I expected...

I have no reason to slap you !

You have no reason to slap me ?

You have ... no reason to ...

Hah... Hahaha...

I see. I see how it is !

I see, hahahahahah!

Whar !

You knew my true intention all along!

Yes, I knew.

And you just watched it to happen the entire time !

For 3 years !

Actually, no, 2 and half years more like.

If you know already, why did you ask me..?!

Why did you make to say all that ?!

To confirm.

And if you can speak the reasons, I figure you'd not show in front of us ever again.

I just needed to make sure.

Why did you not stop Jur from seeing me?

I found out too late. There was nothing I could do when I found out.

I was waiting for either of you to drop out. I was hoping Jur'd dump you first but oh well.

3 years..., it's taken too long...

What are you going to do now ?!

Atone.

Don't make me laugh !

You are a hypocrite!

What can you do for Jur now ?! After all, you are the cause and you let this happen!

Right back at you. Don't make me laugh. Why do you care so much now ?

Just disappear. Don't show up in front of Jur and me ever again. You will be forgotten relatively soon.

I am not done yet!

!!!

Have you ever ...

Have you ever had feelings for me ? Ever ?

What a sad man.

Stop with this bullshit.

Or would you like to tell you that I loved you? Just to end this?

Shut up and get out of my sight, fucking bitch !

"Fucking bitch", huh ...

You are right although ... you've fallen to the same level as me.

Now what ...
